

Below is an update to help you thru the morning registration and technical inspection process.

REGISTRATION

Registration is located just inside of gate 6 off of Hwy 67 (see attached map) in the building marked Registration.

Hours for registration are 7:00 am until 8:15 am. All children must come to the registration area to sign child waiver forms.

Please provide the following at registration

- **valid state drivers license**
- **valid SCCA membership card ***
** if you are not an SCCA member you will be required to fill out an SCCA Weekend Membership form, which will be available at registration. (free to participants)*
- *a credit card: Once swiped you will receive a bid number that can be used to make purchases during the day for hot laps and video units as well as during our auction in the evening. No more need for cash or checks, it's easy, fast and secure!*
- Any required payment if you have not prepaid
- You will sign a release waiver and get a wristband. *Please note this wristband must stay on all day. It is your access to the event and also will be checked for lunch and dinner.*

After you are registered, you will go to the paddock:

- find a place to park
- empty all loose items from your car (including the glove box and trunk)
- proceed to Technical Inspection with your car and helmet

TECHNICAL INSPECTION

Technical Inspection is located at the south end of the paddock near pit out

- Tech hours are 7:00 am to 8:30am
- Bring completed **TECH INSPECTION FORM** with you the Tech

***After Technical Inspection breakfast is available in the hospitality area in the Garages at the South end of the paddock.*

Please note there is a drivers meeting for ALL participants at 8:30 am located in the Garages at the South end of the paddock.

****This meeting is MANDATORY for all participants****

Group 3 and 4 drivers must attend the track and event meeting immediate after the main drivers meeting. (Approximately 8:45 am)
