

## **Be a part of the “Winners Circle”**

The cars sure do move fast around the Road America Track but the lines for registration and technical inspection are just the pits. Move to the head of the line with our new “Winner’s Circle” program. For just \$75.00 you’ll be able to move ahead of the pack during registration, technical inspection & on the grid during your driving session!

By contributing this additional amount, you'll be allowed to be first in line throughout the day while your contribution will help the March of Dimes continue in its mission to save babies! You may register via the website, mail or bring \$75 to the "Winner's Circle" Registration window on the day of the event. This opportunity is limited to the first 40 registrants, however, once the 40 spaces are filled, we will still accept donations!
